SRI. A. KRISHNAPPA
FOUNDER,
S.E.A EDUCATION TRUST

Sri. A. Krishnappa, a visionary, educationist and a philanthropist founded the South East Asian Education Trust in the year 2000. Under the aegis of this trust S.E.A. Composite Pre-University College was started in the year 2002. Sri. A. Krishnappa was a successful politician who remained in mainstream politics for nearly 3 decades. He was elected four times as MLA to Karnataka Legislative Assembly and served as Minister for 8 years holding vital portfolios such as Social Welfare, Animal Husbandry, Sugar & Horticulture. Sri. A. Krishnappa firmly believed that the socio-economic edifice of this country can only be built on the solid base of education. Realizing the fact that Quality Education is beyond the reach of bright and talented students coming from socially and economically backward sections of the society, he started this college with a noble cause of imparting education at affordable price. Today the group has 09 institutions running successfully under the umbrella of Trust, providing diversified education.
